

It's time to torque!

Avoid costly engine replacements by using our free torque wrench on all INA tensioner and pulley bolts

FREE!

Schaeffler approved
Sykes Pickavant Torque Wrench
worth £99 (rtp) when you buy
INA Tensioner Kits from
your local INA Distributor

“Using the correct torque setting is vital when changing pulleys and tensioners on today’s modern engines...” Frank Massey

Modern belt drive systems with much higher belt loads rely on manufacturing tolerances to ensure long life. Correctly applied torque values to tensioner and guide pulley bolts are vital to prevent bolt failures and expensive engine repairs.

Redeem your INA bonus points online and get technical information such as torque settings and manufacturer’s fitting instructions.

Registration is free at WWW.REP&PERT.COM

You can earn **£5** credit towards a Schaeffler approved Sykes Pickavant torque wrench (rtp £99) with any INA timing belt tensioner kit purchased during February and March 2012*.

FREE technical support is available on Monday to Friday between 8.30am-5.30pm and Saturday from 9.00am-12.00am by calling **08457 001 100**

INA - Fits right, first time, every time...
